Yarn Colors to Knit the Modern Art Placemat

To knit the placemat we used needles #3 and cotton yarn of the following colors:

	- Black
	- Lime Green
	- Dark Spring Green
	- Mint Green
	- Sea Green
	- Lemon Yellow
	- Golden Yellow

I used only yarn that I had. I would not advise people to buy a lot of different yarn colors. I like to use yarn that I already have, especially when I have just a couple of yards of it..
