Silver Evening Bag was designed by [knitvana.com](http://knitvana.com)

The size of the bag is 7.5" x 4" x 2". We used Patons Brilliant silver yarn for the external part of the bag and white cotton yarn (Sugar N Cream or mill ends sold by pound in A.C. Moore) for the lining.

We knitted the bag with bamboo needles #0 (2 mm) and #2 (3 mm).
